

Helping Councils Create Cleaner Communities

- 1,625,000 plastic-free bags provided
- 790 stations installed
- 790 trees planted
- 33 projects completed
- 280 sponsors

Keep Green Spaces Clean

The Problem

- ✓ More littering
- ✓ More dog fouling
- ✓ Increase of people at home
- ✓ Local green spaces being used more than ever before
- ✓ More pressure on councils to keep green spaces clean

Eco Green Living Can Help

Help the Community to Help Themselves

- ✓ Stations that dispense 100% Compostable bags for waste
- ✓ Funded by either council budget or CSR sponsorship
- ✓ Councils maintain them
- ✓ Communities use them
- ✓ Result = reduction in litter and dog fouling

Our Environmental Stations

For every station installed, a tree is planted!

How to fund a project:

- + Council budgets and grants
- + Business sponsorship
- + Community crowd funding

More benefits:

- + co2 offset from tree planting
- + Certified 100% biodegradable bags
- + Encourages litter picking
- + Ditch the plastic and go eco-friendly!
